## FINANCIAL DEVELOPMENTS IN YUGOSLAVIA

PEOPLE'S LOAN IN BELGRADE -- Politika, No 13061. 22 Oct 48

The working people of Yugoslavia oversubscribed the People's Loan of 3,500,000,000 dinars by 400 million dinars, or 11 percent. The goal was met 11 days ahead of schedule. However, greater efforts will have to be made to collect the pledges. In the Second District of Belgrade, where from the beginning payments have been best, installments were paid up 99 percent in August, 83 percent in September, and still less in October, for which the returns are incomplete. In the worst district, the First, collections fell from 73 percent in August to 55 percent in September, and will be no better in October.

NEW BANKS NOTES -- Politika, No 13023, 8 Sep 48

On 10 September 1948, the People's Bank of the FRY will issue 500-dinar bills of its own, dated 1 May 1945 [sic]. Between 10 and 25 September 1948, DFJ 500-dinar bills earned by the government will be withdrawn from circulation and redeemed at face value. After 26 September 1948 the DFJ government-issued 500-dinar bills will be legal tender for wages, but can be redeemed until November 1948 at the People's Bank of the FRY.
